Wants You To Prepare For A...

Financial Hurricane!

Stay Tuned For More
Information
If This Financial
Hurricane Misses You
Or Is Not A
Category 3-5 Storm!

Assume That:

- ▶ You might not be able to get money at your bank!
- ▶ Your bank may not even be open!
- ▶ Your credit cards will no longer be accepted!
- ▶ Your debit cards will no longer work!
- ▶ You may not be able to buy gasoline!
- ▶ You may not be able to buy food at a grocery store!
- ▶ You may not have power or heat!
- ▶ Your computer or internet access may no longer work!
- ▶ Your cell phone and text messaging might not work!
(I figure this one thing alone would do away with an entire generation if they were unable to have access!)

What To Do:

- ▶ Keep some cash on hand!
- ▶ Keep your gas tanks full!
- ▶ Fill up your gas cans!
- ▶ Stock up on some bottled water!
- ▶ Stock up on dried and canned foods!
- ▶ Invest in a generator!
- ▶ Have lights and batteries on hand!
- ▶ Prepare to protect yourself and your family!
- ▶ Educate yourself and others about what is really going on in our Financial/Economic World right now!
- ▶ Be able to weather the storm for 1-2 weeks or until help arrives!
