Pat Allen's Third Party Referral System!

35 Years of Client Referrals Perfected!

Below is a testimonial of most recent success with the program!

I know you will recall my excitement after my appointment Monday night when I was able to reveal that I received **ELEVEN** referrals using your 3rd party referral system. I had 3 appointments yesterday, and I received another **TWENTY NINE** referrals!!!! That brought me to an even **FORTY** for the week! My last appointment was at 8:30pm, and when I got home at about 10:45pm, I walked in with a huge smile on my face. My wife returned an equally huge smile and asked.... "What did you do?"

I proclaimed, "earned another TWENTY NINE referrals today!"

She busted out in joyous laughter and asked the obvious question.... "What are you doing differently"? I said, "I am starting to use the system the way Pat Allen taught me six months ago, and now I have more referrals in one week than I have had in the past 6 months"!

I realize not all of these leads will necessarily generate immediate income, however, having **FORTY** new families to talk to, after just one week, seems like a great problem to have!

Best thing of all...cost me ZERO DOLLARS!

All it cost me was time and effort...which I will happily spend every day!

Thank you again for teaching me your referral system and for reminding me over and over that it works. I finally got it through my thick skull...

I am loving every minute of it!
